FASHION DESIGN & CONSTRUCTION

Motivated and results-driven Fashion Design graduate seeking a challenging position within a large organisation as an Assistant Designer or Project Manager. Offering a strong foundation in garment construction, digital programs, and project management, with a proven ability to drive efficiency, deliver successful outcomes and collaborate within cross-functional teams.

KEY COMPETENCIES

Digital Flats Design	Gerber Accumark CAD	Strong Interpersonal Skills
Proficient in Adobe Suite	Machine and Hand-Sewing	Proactive and Self-Motivated
Product Development	Pattern Drafting and Draping	Exceptional Organisational Skills

PROFESSIONAL EXPERIENCE

Berklee Costume Shop at The Boston Conservatory **Sep 2024 - Dec 2024**
Costume Shop Intern

Responsibilities included assisting in costume construction, creating necessary items for performances, shadowing measurements and fittings, making alterations, and managing costume inventories. Additionally, collaboration with team members provided insights into the unique requirements of costumes, which can differ from traditional garment construction.

Emerson Fry, LLC **May 2023 - Aug 2023**
Fashion Production Intern

I assisted the Production Manager with sample production and preparation, developed organizational systems for fabrics and notions within the sewing area, shadowed meetings and fit tests, updated documentation, conducted product research, and altered as well as packaged ready-to-wear garments.

Beantowne Coffee House **June 2024 - Aug 2024**
Content Reviewer and Social Media Coordinator

I created posts and templates for the company's social media platforms, assisted in video production, and contributed to the development and promotion of monthly specials.
